Thank you for that. Do you have any statement on the damage done on the property?

Hello Roger,

Two items:

First, I see that you're doing work again soon on my property. I've received no contact from you or Black Hills about the work being done. Could you please tell me about what work is being done and where on the property?

Secondly, I still haven't received any written response regarding the damage already done on my property. Do you have any statement regarding that?

Regards,

~David Imberti
